we provide end-to-end solutions for creating unique event experiences, right from creating a mood board to designing, planning, managing and executing an event. No matter how daunting the guest list is or how impossible the wishes of our clients might sound, we are there to make your dreams come true. The effusive appreciation in the form of client testimonials speaks volumes about our professional commitment coupled with a personal touch that makes us the best event planner in India.

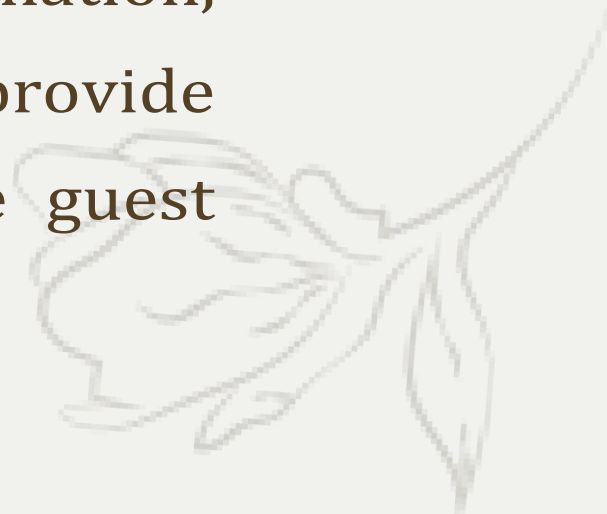

# Conferences and Meetings

At EventKraft Hospitality Pvt. Ltd., we have a professional team that persistently works to make your conference meetings a memorable experience. You can rely on us using enhanced tools and equipment to cater to all your requirements. We boast of our effective out-of-the-box thinking. We do not rely on traditional organizational methods but do our best to satisfy our customers as with offbeat practices. We deliver the best solutions and services a conference organizing and management company. The multitude of our offerings involves.

# SHADOW

- **Definition:** The term "shadow" refers to accompanying an individual to observe and understand their responsibilities or needs.
- **Key Role:** Shadows are assigned to important family members or VIP guests throughout the event.
- **Purpose:** Ensure proper assistance and personalized attention during the entire occasion.
- **Responsibilities:** Help with coordination, address immediate needs, and provide seamless support to enhance the guest experience.

# Corporate Travel

At EventKraft Hospitality Pvt. Ltd., we endeavor our best to create an ever-lasting impression. You will definitely have a great time with our secure and tailored services. The selection of exotic venues, appealing presentation, and sumptuous food will never create a dull moment. Take your business to new heights by giving a competitive edge to your clients with corporate travel. Hassle-free planning is the most-sought after thing for all businesses. And EventKraft Hospitality takes care of every detail irrespective of how small or big the event is.

We endeavor our best to provide top-notch security, event promotion, suitable entertainment, accommodation as well as travel arrangements. Our expert team looks after the functioning of the AV devices before the event, and a professional photographer is available throughout. Handling corporate events need efficiency. And we are determined to offer you the most effective and customized service. We organize events ranging from cocktail parties to conferences, sporting events to press launches.

# SERVICES ON CHECK-INN & CHECK-OUT

- **Check-Out Formalities:** Handled by a trained hospitality team for a hassle-free process.
- **Flexible Check-Out Times:** Guests can check out as per the hotel's schedule or their convenience.
- **Transportation Arrangement:** Fleet of cars available for prompt transport to airports or railway stations.
- **Departure Coordination:** Transport arranged according to guest departure schedules or specific requests.
- **Smooth Experience:** Ensuring a stress-free and seamless check-out process for all guests.

# COMPLETE HOSPITALITY

Complete hospitality focuses on providing seamless service from arrival to departure. It includes personalized check-ins, room assistance, event coordination, and transport arrangements. The goal is to ensure guests have a smooth, comfortable experience throughout their stay, with everything taken care of, right down to a hassle-free check-out.

# GIFT HAMPERS & STATIONERY

Gift hampers and stationery are thoughtful additions to enhance the guest experience. Gift hampers are curated with a variety of high-quality items such as snacks, beverages, or luxury goods, tailored to guests' preferences or event themes. They are often presented as welcome gifts or thank-you tokens.

Stationery includes personalized items like event itineraries, thank-you notes, and branded materials, designed to complement the overall theme of the occasion. Both gift hampers and stationery add a special touch, making the experience more memorable for guests.

### **Efficient Team**

Our professional team has expert managers, meeting planners, air experts, and support services to manage your program every step of the way. We inquire about your needs and preferences and offer recommendations to support your goals for your unique requirements.

### **Experience Edge**

We also acknowledge how essential services such as on-site staffing are for big programs. Hence, our trained and expert travel team arrives on-site, takes charge of the location, and handles everything. The extensive experience across the globe lets you get actionable solutions to the table.

### **Swift Onboarding**

Our registration service team handles everything to ensure the registration and accommodation process matches perfectly. We can personalize the experience while advising you on the best practice to deliver precise reporting. Our customer-centric and user-friendly attendee team answers all your queries and takes care of all the participants to ensure they have a great and flawless experience.
